He's listed as "Senior Oceanographic Engineer" of Haida Salmon
Restoration Corp in his e-mails. He's the one who coordinated the
shipping details with Shaun. I see he's mentioned at

<http://www.hsrrc1.com/current-events/press-releases/ot/>

Shaun was first contacted by Guugiits George (last name George), who
represented himself as from the Haida Salmon Restoration Corp and put
Shaun in contact with Peter Gross.
