Hi Rick,
I have not heard of, nor interacted with John Disney.

Through interactions with Guugiits, I expressed gratitude for the =
opportunity to have drifters deployed, but at no point did I say I was =
"extremely excited" to be working with them. Looking through some of the
=
emails, this is the closest thing I've found to resemble my excitement:
=
"I'd like to thank you for the opportunity to have drifters deployed =
during your upcoming cruise."

Perhaps the excitement Disney refers to is from one of their other =
collaborators?=20

Regards,
Shaun=20
