

PAMELA J. FLETCHER

Florida Sea Grant, National Oceanic and Atmospheric Administration, Atlantic Oceanographic and Meteorological Laboratory, Ocean Chemistry and Ecosystems Division, 4301 Rickenbacker Causeway, Miami, Florida 33149, 305.361.4553, pamela.fletcher@noaa.gov

Education

PhD	Soil Water Science Department	University of Florida 2014
MS	Environmental Management and Policy	Rensselaer Polytechnic Institute 1996
BA/BS	Marine Affairs/ Fisheries Science and Technology	University of Rhode Island 1992

Experience

Regional Extension Coordinator

University of Florida/Florida Sea Grant, Miami, Florida USA 2006 – present

Fulbright Scholar

Nicaragua, Central America - Lecturing/Research award 2005 - 2006

Natural Resource Specialist

Broward County Marine Resources Section, Fort Lauderdale, Florida USA 2000 - 2005

Marine Resource Planner

Monroe County Marine Resources Section, Florida Keys, USA 1998 - 2000

Intergovernmental Coordinator/Planner IV

Florida Coastal Management Program, Tallahassee, Florida, USA 1996 - 1998

Environmental Engineer

Electric Boat Division of General Dynamics Corp, Groton, Connecticut 1995

Salmon Hatchery Research Assistant

State of Connecticut, Kensington, Connecticut, USA 1994

Lobster Assessment Research Assistant II

State of Connecticut, Department of Marine Fisheries, Old Lyme, Connecticut, USA 1991 & 1992
